RRB NTPC 2019 Study Plan

Visit SSCADDA RRB NTPC Study Plan daily to get quizzes, notes & free Pdfs based on all the three sections viz. Mathematics, General Intelligence & General Awareness. Study Content is exam friendly, latest exam pattern based and boldly contains level based questions to catalyze your skills, time management strategy & enhance your knowledge bringing an all-rounder performance in your every attempt.

RRB NTPC Stage - 1 Examination

Section	Subject	No of Questions	Max Marks	Exam Duration
1	General Intelligence and Reasoning	30	30	90 minutes
2	General Awareness	40	40	
3	Mathematics	30	30	
	Total	100	100	

- There is a negative marking of 1/3 marks in all sections.
- The duration of exam is 120 minutes for PWD candidates.
- Stage 1 is of screening nature.

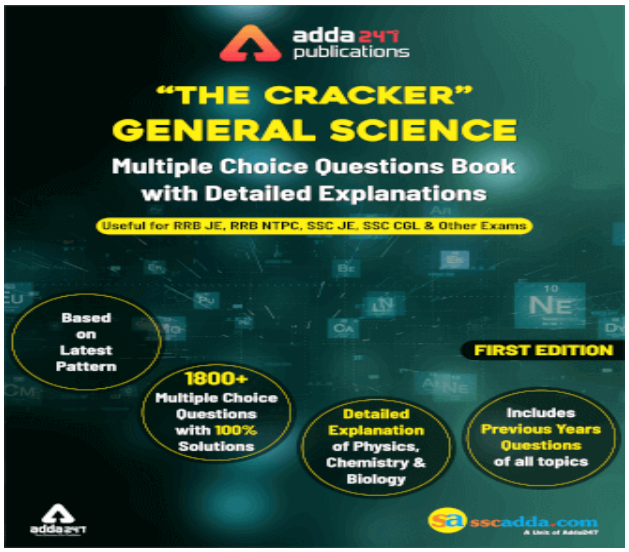
- Normalization of marks will be done

Here are the 3 months Plan , we will provide quizzes n notes follow this study plan and remain updated with daily provided quizzes & notes. Study Accordingly.

Date	Mathematics [30 Marks]	General Intelligence & Reasoning [30 Marks]	General Awareness [40 Marks]
11th April Day 31	Number System	Analogies , Number Series , Odd One Out	Ancient History
12th April Day 32	Number System	Coding Decoding , Mathematical Operations	Ancient History
13th April Day 33	Ratio and Proportions	Syllogism , Puzzle	Ancient History
14th April Day 34	30 Questions Practice PDF	30 Questions Practice PDF	40 Questions Practice PDF
15th April Day 35	Ratio and Proportions	Venn Diagrams , Data Sufficiency	Medieval History
16th April Day 36	Percentage	Statement Conclusion , Statement - Course Of Action	Medieval History

17th April Day 37	Percentage	Clock Calendar , Analogies , Alphabet Series	Medieval History
18th April Day 38	Mensuration	Analogies , Number Series , Odd One Out	Modern History
19th April Day 39	Mensuration	Coding Decoding , Mathematical Operations	Modern History
20th April Day 40	Time and Work	Blood Relationships , Puzzle	Modern History
21st April Day 41	Data Interpretation, 30 Questions Practice PDF	30 Questions Practice PDF	40 Questions Practice PDF
22nd April Day 42	Time and Work	Syllogism , Puzzle	Geography
23rd April Day 43	Time and Distance	Venn Diagrams , Data Sufficiency	Geography
24th April Day 44	Time and Distance	Statement Conclusion , Statement - Course Of Action	Geography

25th April Day 45	Simple and Compound Interest	Clock Calendar , Analogies , Alphabet Series	Polity
26th April Day 46	Simple and Compound Interest	Analogies , Number Series , Odd One Out	Polity
27th April Day 47	Profit and Loss	Coding Decoding , Mathematical Operations	Polity



28th April Day 48	Data Interpretation, 30 Questions Practice PDF	30 Questions Practice PDF	40 Questions Practice PDF
29th April Day 49	Profit and Loss	Blood Relationships , Puzzle	Physics
30th April Day 50	Elementary Algebra	Syllogism , Puzzle	Physics
1st May Day 51	Elementary Algebra	Venn Diagrams , Data Sufficiency	Chemistry
2nd May Day 52	Geometry	Statement Conclusion , Statement - Course Of Action	Chemistry

3rd May Day 53	Geometry	Clock Calendar , Analogies , Alphabet Series	Biology
4th May Day 54	Trigonometry	Analogies , Number Series , Odd One Out	Biology
5th May Day 55	Data Interpretation,30 Questions Practice PDF	30 Questions Practice PDF	40 Questions Practice PDF
6th May Day 56	Trigonometry	Coding Decoding , Mathematical Operations	Economics
7th May Day 57	Elementary Statistics	Blood Relationships , Puzzle	Economics
8th May Day 58	Average	Syllogism , Puzzle	Static General Awareness
9th May Day 59	Average	Venn Diagrams , Data Sufficiency	Static General Awareness
10th May Day 60	Elementary Statistics	Statement Conclusion , Statement - Course Of Action	Static General Awareness
