No.1/CH/2018

FROM THE DESK OF CHAIRMAN

The Commission has been continuously reiterating its stand to the candidates that it is committed to the highest standards of integrity to ensure merit based selection of bona-fide candidates for recruitment to Group 'B' (Non-Gazetted) and Group 'C' (Non-Technical) posts in the Government of India. The Systems in the Commission have been made efficient and transparent to ensure this position. However, of late, there has been a concerted attempt by vested interests to disrupt the examination systems and put impediments in the recruitment processes of the Commission with the ulterior objective of defaming the Commission.

We assure the candidates that the Commission stands firm in its commitment towards ensuring sanctity of its examination processes and fair and merit based selection of the candidates for filling vacancies in various Ministries/Departments of the Government of India.

It is a matter of satisfaction for the Commission that the Government has accepted the recommendation of the Commission to conduct a CBI enquiry into the allegations made by the protesting candidates. The comprehensive nature of the enquiry would also expose the conduct of external agencies which have been actively instigating and nurturing this agitation to the detriment of the careers of thousand of bona fide candidates.
