S11. Ans. (b)

Sol. Let's read the clause '*Pakistan's Army and political leadership are on "one page" to take dialogue with India forward*'. What is the need for mentioning the clause? Could political leadership of Pakistan independently take dialogue with India forward, why had the clause been mentioned?

It means that the statement (III) is a wrong assumption.

In Pakistan, to take dialogue with India forward, there must be consensus between the Pakistan's Army and the political leadership of Pakistan.

Only the statement (I) is the correct assumption to be drawn.

Hence, the option (b) is the correct answer.

S12. Ans. (a)

Sol. Option (a) is the correct answer.

Let's re-read the sentence where the given reference was made.

'Mr. Khan also struck a discordant note Kashmir, referring to the dispute as the "single issue" between India and Pakistan.'

Had there been more than one unresolved issue between India and Pakistan, then Mr. Khan wouldn't have referred to the Kashmir dispute as the "single issue" between India and Pakistan.

It means that according to Mr. Khan, there is one and only one unresolved issue between India and Pakistan.

Hence, the option (a) is the correct answer.

S13. Ans. (d)

Sol. 'Discordant' [adjective] means '*disagreeing or incongruous*';

Clashing [adjective] means '*in conflict with each other; incompatible*';

There is no mention of any information given in the options (a) and (c) in the passage.

So, the option (b) is the correct answer.

S15. Ans. (e)

Sol. The statement (I) says that keeping web check-in free would help in keeping the number of passenger in an airport and would help security personnel in the security management. This is a very good motivation for the government to convince the airlines to take back the said fees.

The statement (II) says that levying fee to web check-in would make air-travel costly, might discourage people to opt for air travel and would be in contradiction to the aspiration of the government to increase the overall number of air-travel passengers.

Because the government wants to increase the overall number of air-travel passengers and levying web check-in fees might decrease that number. So, the government would be encouraged to stop this.

In the statement (III), the government wants that people use internet or digital means to avail important services in an increasing number. But levying web-check-in fees would discourage passengers to opt for it and would be against the objective of the Digital India Initiative. So, the government would be encouraged to stop this.

So, the information present in (I), (II) & (III), if true, would encourage the government to stop air lines to levy web check-in fees.

Hence, the option (e) is the correct answer.

S16. Ans. (e)

Sol. 'Withdraw' [verb] means '*discontinue or no longer provide (something previously supplied or offered)*';

Sol. The Delhi High Court expressed her opinion about the manner of prosecution of the anti-Sikh riots in the last paragraph.

The meaning of the word 'emulate' is '*Match or surpass (a person or achievement), typically by imitation*'; *imitation*.

'Not emulate' would mean '*not to imitate*'.

According to the Delhi High Court, the manner in which prosecution of the 1984 anti-Sikh riots has been going on ***must never be emulated***'.

The option (b) is saying the same thing and hence, option (b) is the correct answer.

S19. Ans. (d)

Sol. Absconded [abscond, verb] means '*leave hurriedly and secretly, typically to escape from custody or avoid arrest*';

Emulated [emulate, verb] means '*match or surpass (a person or achievement), typically by imitation*'; *imitate*;

S27. Ans.(e)

S28. Ans.(d)

Sol. The correct option is (d) 'Together they spent £46m on local welfare last year, compared with a national budget of £172m in 2013-14.' As the previous statement is about the councils spending on local welfare and the statement in (d) also discusses their collective spending. Hence, it is the correct choice.

S29. Ans.(a)

Sol. 1 and 4 should replace each other. 'Going' and 'devolved' should replace each other to make the sentence correct. 'Devolve' means transfer or delegate (power) to a lower level, especially from central government to local or regional administration.

S31. Ans.(d)

S32. Ans. (b)

Sol. The logical sequence of the sentences after the rearrangement is **BDAEFC**. Drawing a hint from the second statement, it can be illustrated that the paragraph is providing information on processed foods. If we carefully understand and arrange the other sentences we will articulate that the paragraph is describing about the changes the world has seen from traditional to industrial food processing. However, the paragraph does not mention anything about its benefits, harmful effects or objectives. Hence, option (b) "Reforms in food processing" becomes the most suitable answer choice.

S33. Ans. (c)

Sol. Drawing a hint from the second sentence, it can be illustrated that the paragraph is providing information on processed foods. If we carefully understand and arrange the other sentences we will articulate that the paragraph is describing about the changes the world has seen from traditional to industrial food processing. Thus, sentence (B) perfectly stands as the starter of the rearranged paragraph as it is describing about the objective or aim of food processing in the earlier days. Therefore, it coherently links with the second sentence (D) which states the broaden objectives of food processing. Sentence (A) should take the third position as it is contextually related with the previous statement which indicates a change in the food processing industry. Similarly, sentence (E) and (F) forms a coherent pair as they have mentioned about food processed and practices followed by traditional processors. Next comes, the concluding sentence (C) as it sums up the comparison by providing information on the non-traditional crops grown all over the world and how the demand for these products has increased. Hence, the logical and comprehensive sequence of these sentences after the rearrangement is **BDAEFC**. Therefore, sentence (E) becomes the fourth sentence in the sequence, and option (c) becomes the most viable answer choice.

S34. Ans. (a)

Sol. The logical sequence of the sentences after the rearrangement is **BDAEFC**. The last sentence i.e. sentence (C) of the paragraph describes about the changes in the food processing industry. It has also mentioned about the production of the non-traditional crops around the worlds and their rising demand due to mass communication. Thus, it becomes difficult for such products to survive in the local environment. Complying with the given context, option (a) perfectly complements sentence (C) as option (a) has described about the protection of these products to enhance their storage life. All the other options are either irrelevant to the context or fail to adhere to the theme of the paragraph. Hence, option (a) is the most suitable answer choice.

S35. Ans. (d)

Sol. The logical sequence of the sentences after the rearrangement is **BDAEFC**. In order to add a sentence after the first sentence without altering the context of the paragraph, both the sentences should be analyzed. Sentence (B) perfectly stands as the starter of the rearranged paragraph as it is describing about the objective or aim of food processing in the earlier days. Therefore, it coherently links with the second sentence (D) which states the broaden objectives of food processing which is about generation of wealth for the producers as well as sellers. This implies that earlier this wasn't one of the objectives of food processing. Thus, option (d) perfectly links sentences (B) and (A) as it mentions about the trading of processed foods through barter system in the earlier days. Thus, the new sequence would be **B (d) DAEFC**. All the other options are either irrelevant to the context or fail to adhere to the theme of the paragraph. Hence, option (d) is the most suitable answer choice.
