PREFACE

'*A Comprehensive Guide for RRB NTPC [Group D] ALP and other Exams*' is an attempt to assist all the government job aspirants with a reliable and satisfactory source of offline practice materials. This book is a unique approach towards gratifying the needs of our dedicated aspirants who wish to clear any obstacle with ease. We should never be confined by the limits of our brain and this Book which is thoroughly revised and covers every crucial aspect of **Railways NTPC** examination assures you that it will help you in transcending your limits.

'*A Comprehensive Guide for RRB NTPC [Group D] ALP and other Exams*' provides the complete study material covering all the sections that this exam demands. The book is thoroughly divided into four sections, namely – **Mathematics (Section-A), General Intelligence and Reasoning (Section-B), General Science and General Awareness (Section-C) and Full-Length Mocks (Section-D)**. Each section is further divided into number of chapters based on topics and detailed analysis of the subjects. Moreover, there are **10 practice sets** each in both the sections A and B. The Section-C covers the questions from both the topics GA and GS with each of them is further categorized into its individual chapters. The Section-D gives an insight into the types and patterns of questions being asked in Railways NTPC exams. **There are 5 practice sets and 5 Previous Years' papers**. The book, overall, contains **more than 4500 questions** that will provide our readers a much-needed confidence. Moreover, **the book provides in-depth and detailed solutions along with proper explanations of all the questions from various sections**. The book is prepared by the reputed faculties holding veteran experience of years who are well aware of subtle tricks and methods that create the major difference between a failure and a winner in the real exam.

ADDA 247 expresses its deepest gratitude to all the aspirants who have chosen this product as their companion to work towards their goal. It has been our endeavor to provide a large number of Practice and Revision exercises to help you in brushing up your skills. The innovative, systematic and lucid style adopted in the presentation of this book would definitely attract our readers towards our constructive move. The aim of this book is to help students learn, analyze and fathom the pattern of questions being asked in the RRB NTPC exams which will effectively help them in maximizing their overall scores. We hope that our concerned efforts do find a positive response.
