S74. Ans.(c)

Sol. The given passage is centred around the attack on Kundankulam nuclear power plant which poses a threat of national cyber-security. It can be clearly seen that the correct answer choice would be option (c).

S75. Ans.(d)

Sol. Malicious means intending or intended to do harm.

From the given options, all of the given words are synonym of the given word except 'Benevolent' which means well meaning and kindly. Hence, the correct answer choice would be option (d)

S76. Ans.(a)

Sol. From the given options, only option (ii) is being mentioned in the given passage as can be seen from the following statement, '*India has established the Global Centre for Nuclear Energy Partnership as a forum for bilateral and multilateral cooperation in nuclear security that could be widened to include cybersecurity.*' There is no mention of the remaining two options in the given passage. Hence, the correct answer choice would be option (a)

S77. Ans.(c)

Sol. Defiant means showing open resistance

Evasive means directed towards avoidance or escape

Candid means truthful and straightforward

Nasty means behaving in an unpleasant or spiteful way

As the author has stated the facts and loopholes present in the current system clearly, so the most appropriate answer choice would be 'Candid'. Hence, the correct answer choice would be option (c)

S78. Ans.(c)

Sol. Quiet down means to become silent

Jazz up means to make something more interesting or exciting

Wake-up call means a thing that alerts people to an unsatisfactory situation and prompts them to remedy it.

Taking hint from the part of the sentence following the blank which is asking nuclear power industry to take cybersecurity seriously and going through the meaning of the given phrases, it can be clearly seen that the appropriate answer choice would be option (c).

S79. Ans.(b)

Sol. From the given pairs, only A-F will make a sentence that is both grammatically correct as well as contextually meaningful. 'C-E' may also appear to make a meaningful sentence but the sentence thus formed will be grammatically incorrect because of the principal of subject verb agreement. Hence, the correct answer choice would be option (b).

S80. Ans.(a)

Sol. From the given pairs, only 'C-E and B-F' are able to make sentences which are both meaningful and grammatically correct. The sentences thus formed are:

'This symposium is an opportunity for attendees to engage with colleagues from South Asia and elsewhere in collaborative exchanges' and

'Artists are producing socially relevant work which raises awareness, sustains involvement, and ignites social change.'

Hence, the correct answer choice would be option (a)

S81. Ans.(c)

Sol. From the given pairs, only 'C-E' are able to make a sentence which is both meaningful and grammatically correct. The sentence thus formed is:

'While the Internet is certainly a main source of information and access to social media, it is so much more than that.' Hence, the correct answer choice would be option (c)

S82. Ans.(e)

Sol. There is grammatical error in part (F). In its usage of 'do' is incorrect instead it should be 'does' to make a grammatically correct sentence. Also, remaining options fail to make a meaningful and grammatically correct sentence. Hence, the correct answer choice would be option (e)

S83. Ans.(b)

Sol. From the given pairs, only 'A-F' is able to make a sentence which is both grammatically as well as contextually correct. The sentence thus formed is: *'The museum of DMRC at Patel Chowk station turned 11 and a host of activities were held at the venue.'* Hence, the correct answer choice is option (b)

S84. Ans.(b)

Sol. Given sentence is talking about the role of fund manager in a given situation. On the basis of the given idea the correct arrangement should be **ADBC**. The sentence thus formed will be: *'A fund manager may decide to do regular dividend payouts that would bring down the NAV even though the scheme may be faring pretty well.'* Hence, the correct answer choice would be option (b)

S85. Ans.(d)

Sol. Going through the given parts of the sentence we can get an idea the sentence is talking about the exchange of prisoners between different separatist groups. On the basis of the given idea the correct arrangement would be **CABD**. S86. Ans.(b)

Sol. Given sentence is talking about the arrest made by Saudi Arabia after a long period of time. So, on the basis of this, the correct arrangement would be **ADBC**. The sentence thus formed is: *'Saudi Arabia has arrested more than 200 people for violating "public decency", in the first such crackdown since the ultra-conservative kingdom began easing social norms.'* Hence, the correct answer choice would be option (b)

S87. Ans.(a)

Sol. From the given arrangement, we can get an idea that the given sentence is talking about the gap between ever changing industry requirements and ability of the institutions required to meet these requirements. On the basis of the given idea, the correct arrangement would be **DBCA**. The sentence thus formed is: *'The world is moving so fast that institutions are not able to catch up with the ever-changing industry requirements, by the time teachers get ready to teach a subject, it gets outdated.'* Hence, the correct answer choice would be option (a)

S88. Ans.(c)

Sol. Going through the given parts, we can get an idea that the given sentence is talking about the charges on digital transactions. On the basis of the given idea the correct arrangement would be **BCAD**. The sentence thus formed is: *'Digital transactions made using RuPay credit cards or UPI QR codes will not attract additional charges for merchants or customers from the beginning of next year'* Hence, the correct answer choice would be option (c)

S89. Ans.(b)

Sol. Going through the sentence it can be clearly seen that the appropriate filler for the given blank should be 'Adjective'. Based on this condition we can easily eliminate 'Magnify' and 'Inflate'. From the remaining two options, 'Abstemious' means indulging only very moderately in something, especially food and drink, which doesn't fit the blank contextually. So, only 'Exaggerated' which means regarded or represented as larger, better, or worse than in reality, will fit the given blank to make the given sentence both grammatically as well as contextually correct. Hence, the correct answer choice would be option (b)

S90. Ans.(d)

Sol. Given sentence is talking about the usage of internet as the latest means of communication to spread lies and misinformation. From this we can clearly see that 'Internet' is being misused. So, the most appropriate filler on the basis of deduced information is 'Abused'. Hence, the correct answer choice would be option (d)

S91. Ans.(d)

Sol. As the main idea of the given passage is 'fake news', so on the basis of this and the sentence structure, the appropriate filler for the given blank would be 'Doctoring' which means change the content or appearance of in order to deceive; falsify. Hence, the correct answer choice would be option (d)

S92. Ans.(c)

Sol. Invocation means a request or appeal for help from someone

Atrocities means an extremely wicked or cruel act

Propaganda means information, especially of a biased or misleading nature, used to promote a political cause or point of view.

Candour means the quality of being open and honest; frankness

Going through the meaning of the given words it can be clearly seen that the appropriate filler for the given blank would be 'Propaganda'. Hence, the correct answer choice would be option (c)

S93. Ans.(c)

Sol. Accentuated means make more noticeable or prominent.

Resurrected means revive or revitalize

Marginalised means treat as insignificant or peripheral.

Underestimating means estimate to be smaller or less important than it really is.

Going through the meaning of the given words it can be seen that the to make the given sentence contextually correct appropriate filler would be 'Marginalised' and 'Underestimating' but 'Underestimating' will make the given sentence grammatically incorrect. Hence, the correct answer choice would be option (c).

S94. Ans.(b)

Sol. Taking idea from the theme of the given passage and the various strategies discussed in the sentence before the given sentence. It can be clearly seen that the appropriate filler for the given blank would be 'Campaigns'. Hence, the correct answer choice would be option (b)

S95. Ans.(d)

Contortions means a twisted or bent condition, state, or form

Jostle means struggle or compete forcefully for.

S96. Ans.(d)

Sol. In the highlighted part, usage of 'could' with 'able to' is incorrect because they both denote the capacity, hence, making the sentence superfluous. Hence, the correct answer choice would be option (d)

S97. Ans.(b)

Sol. In the highlighted phrase use of preposition 'of' is incorrect because we generally use preposition 'to' with 'with a view'. So from the given options, only (b) can be used to replace the highlighted phrase to make the given sentence grammatically correct.

S98. Ans.(d)

Sol. In the highlighted phrase use of 'out' is incorrect instead it should be 'off' because 'doze off' is phrasal verb which means to fall asleep, usually accidentally. So, from the given options, option (d) can be used to replace the highlighted phrase to make the given sentence grammatically correct.

S99. Ans.(a)

Sol. In the highlighted phrase, usage of 'realizes' is incorrect instead it should be 'realize' because when 'It's time' is followed by 'to' then V1 is used. Also, instead of 'its' we should be used 'it's' because 'It's' is always the abbreviation of "it is" and 'Its' is the possessive of "it". Hence, the appropriate replacement would be option (a).

S100. Ans.(b)

Sol. In any sentence, if 'since' is followed by a simple past tense, then 'since' is preceded by a 'Present Perfect Tense' and vice-versa. So, from the given option choice, appropriate replacement for the given phrase would be option (b).
