

Quiz Date: 23<sup>rd</sup> June 2020

Directions (1-5): Rearrange the following five sentence (A), (B), (C), (D) and (E) in the proper sequence to form a meaningful paragraph and then answer the questions given below.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28.

Q1. Which among the following is the **SECOND** statement of the coherent paragraph after rearrangement?

- (a) A
- (b) B
- (c) C
- (d) D
- (e) E

Q2. Which among the following is the **FIRST** statement of the coherent paragraph after rearrangement?

- (a) A
- (b) B
- (c) C
- (d) D
- (e) E

Q3. Which among the following is the **LAST** statement of the coherent paragraph after rearrangement?

- (a) A
- (b) B
- (c) C
- (d) D
- (e) E

Q4. Which among the following is the **FOURTH** statement of the coherent paragraph after rearrangement?

- (a) A
- (b) B
- (c) C
- (d) D
- (e) E

Q5. Which among the following is the **THIRD** statement of the coherent paragraph after rearrangement?

- (a) A
- (b) B
- (c) C
- (d) D
- (e) E

**Directions (6-10):** Rearrange the following five sentence (A), (B), (C), (D) and (E) in the proper sequence to form a meaningful paragraph and then answer the questions given below.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

Q6. Which among the following statements become the **FIRST** sentence of the paragraph after rearrangement?

- (a) A
- (b) B
- (c) D
- (d) C
- (e) E

Q7. Which among the following statements become the **LAST** sentence of the paragraph after rearrangement?

- (a) A

- (b) B
- (c) D
- (d) C
- (e) E

Q8. Which among the following statements become the THIRD sentence of the paragraph after rearrangement?

- (a) A
- (b) B
- (c) D
- (d) C
- (e) E

Q9. Which among the following statements become the SECOND sentence of the paragraph after rearrangement?

- (a) A
- (b) B
- (c) D
- (d) C
- (e) E

Q10. Which among the following statements become the FOURTH sentence of the paragraph after rearrangement?

- (a) A
- (b) B
- (c) D
- (d) C
- (e) E

Directions (11-15): Rearrange the following five sentences (A), (B), (C), (D) and (E) in the proper sequence to form a meaningful paragraph and then answer the questions given below.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

(B) The decision about which policy to buy only rues it over the years or faces a loss of the premium paid by allowing the policy to lapse.

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second chance to exit this policy and buy a more suitable one.

(D) Insurance is perplexing.

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

Q11. Which one among the following sentences becomes the SECOND sentence of the coherent paragraph after the rearrangement?

- (a) A
- (b) D
- (c) B
- (d) C
- (e) E

Q12. Which one among the following sentences becomes the FIRST sentence of the coherent paragraph after the rearrangement?

- (a) A
- (b) D
- (c) B
- (d) C
- (e) E

Q13. Choose the most appropriate sequence of the sentences to form a coherent paragraph.

- (a) DAECB
- (b) AEDBC
- (c) EDABC
- (d) DAEBC
- (e) DABEC

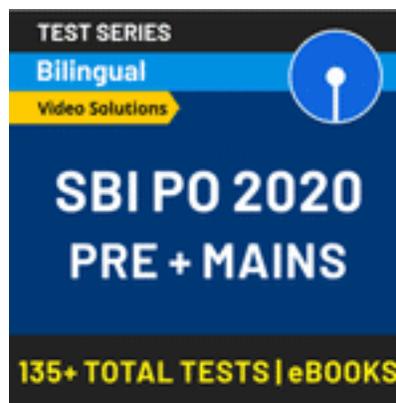

Q14. Among the following pairs which one of them is formed with two consecutive statements after the rearrangement?

- (a) A – B
- (b) E – B
- (c) E – C
- (d) C – D
- (e) D – E

Q15. Among the following sentences which one of them should consecutively follow the last sentence of the paragraph after the rearrangement?

- (a) The insurer has to inform you about the maturity period in his covering letter when he delivers the policy to you.
- (b) Government needs to increase the overall spending on the investment sector.
- (c) Nothing substitutes for good research and information before deciding which policy to buy and which terms, conditions, exclusions and premium burden are best suited to you.
- (d) The Free Look option available on life insurance policies offers a sense of relief and a real way to deal with an unwanted policy purchased in error.
- (e) You should make a written request to cancel the policy under the free look period if you disagree with any of the terms or conditions of the policy.

S1. Ans. (a)

Sol. The correct sequence is **BADCE**.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28. Hence, **option (a)** is the right answer choice.

S2. Ans. (b)

Sol. The correct sequence is **BADCE**.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28. Hence, **option (b)** is the right answer choice.

S3. Ans. (e)

Sol. The correct sequence is **BADCE**.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28. Hence, **option (e)** is the right answer choice.

S4. Ans. (c)

Sol. The correct sequence is **BADCE**.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28.

Hence, **option (c)** is the right answer choice.

S5. Ans. (d)

Sol. The correct sequence is **BADCE**.

(B) On June 20, a month after 1,00,000 novel coronavirus cases were reported, India crossed a grim milestone of 4,00,000 cases.

(A) If it took 13 days to double to 2,00,000 cases, India added another one lakh cases in 10 days on June 12.

(D) From a test positivity rate of 4.6% in mid-May, it is 7.9% as on June 21, reflecting a wider spread in the community, particularly in the hotspots.

(C) Apart from positivity rate, Mortality, which was initially low, has been steadily increasing.

(E) The first death was reported on March 13 and the figure crossed 1,000 only on April 28.

Hence, **option (d)** is the right answer choice.

S6. Ans. (e)

Sol. The correct sequence is **EACDB**.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

Hence, **option (e)** is the right answer choice.

S7. Ans. (b)

Sol. The correct sequence is **EACDB**.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

Hence, **option (b)** is the right answer choice.

S8. Ans. (d)

Sol. The correct sequence is **EACDB**.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

Hence, **option (d)** is the right answer choice.

S9. Ans. (a)

Sol. The correct sequence is **EACDB**.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

Hence, **option (a)** is the right answer choice.

S10. Ans. (c)

Sol. The correct sequence is **EACDB**.

(E) Right to Information (RTI) applications seeking information pertaining to the PM CARES Fund have been stonewalled.

(A) No information exists on the official website of the Fund regarding the amount collected, names of donors, expenditure incurred, or details of beneficiaries.

(C) Besides this absence of information, the trust deed of the fund chaired by the Prime Minister too is not available for public scrutiny.

(D) Reports suggest that donations of over \$1 billion have been made, including contributions from foreign sources.

(B) Inclusively, this violation of peoples' RTI is particularly concerning given the unprecedented crisis gripping the nation.

Hence, **option (c)** is the right answer choice.

S11. Ans. (a)

Sol. The correct sequence is **DAEBC**.

(D) Insurance is perplexing.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

(B) The decision about which policy to buy only rues it over the years or faces a loss of the premium paid by allowing the policy to lapse.

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second option to exit this policy and buy a more suitable one.

Hence, **option (a)** is the right answer choice.

S12. Ans. (b)

Sol. The correct sequence is **DAEBC**.

(D) Insurance is perplexing.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

**BANKERS**

**adda247**

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

(B) The decision about which policy to buy only ruins it over the years or faces a loss of the premium paid by allowing the policy to lapse

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second option to exit this policy and buy a more suitable one.  
Hence, **option (b)** is the right answer choice.

S13. Ans. (d)

Sol. The correct sequence is **DAEBC**.

(D) Insurance is perplexing.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

(B) The decision about which policy to buy only ruins it over the years or faces a loss of the premium paid by allowing the policy to lapse

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second option to exit this policy and buy a more suitable one.  
Hence, **option (d)** is the right answer choice.

S14. Ans. (b)

Sol. The correct sequence is **DAEBC**.

(D) Insurance is perplexing.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

(B) The decision about which policy to buy only ruins it over the years or faces a loss of the premium paid by allowing the policy to lapse

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second option to exit this policy and buy a more suitable one.  
Hence, **option (b)** is the right answer choice.

S15. Ans. (d)

Sol. Here, the last sentence of the rearranged paragraph states about a 'second option' of exiting the current policy and buy a more suitable one. In this context, **option (d)** should consecutively follow the last sentence of the paragraph after the rearrangement. As it mentions about Free Look option that lets the policy buyer buy policy without any errors.

The correct sequence is **DAEBC**.

(D) Insurance is perplexing.

(A) There is so much information about insurance and hard sell that, ironically, buying a policy feels like taking a shot in the dark.

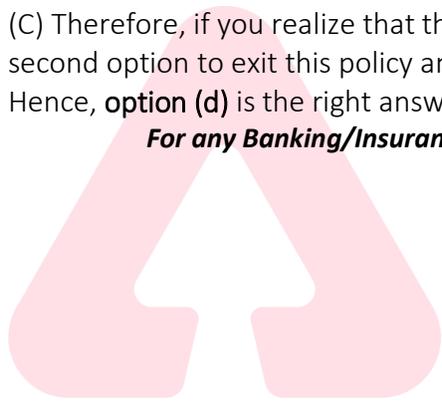

(E) This is a common feeling and many prospective buyers dilly-dally, back off, or simply make a wrong decision.

(B) The decision about which policy to buy only rues it over the years or faces a loss of the premium paid by allowing the policy to lapse

(C) Therefore, if you realize that the policy you bought is not what you thought it was, there is a second option to exit this policy and buy a more suitable one.

Hence, **option (d)** is the right answer choice.
